

TOKYO MIDTOWN in Roppongi, the Shopping Mall close to the nature. Top light of the sun shine and decorated with Japanese paper in open space, bamboo flooring...

Kan YASUDA, his artworks live with us in the city and in the nature, find his artworks in his home town, BIBAI in Hokkaido very far... So, let's go to find his artworks in TOKYO MIDTOWN easy to go. Not only look them but, touch and play with... Be smiley & happy !

Have a break, looking the garden by the window that we always used to do in our traditional house...
